If you are **wanting to enrol in classes** then click “Classes 2020” and then “Classes 2020” again then select as many courses as required – there is a small box beside each course so use that to select the courses you want. The courses are in alphabetical order. When all courses are selected you must scroll right to the bottom of the list and click on “Next”

This gives you a list of all the courses you have selected as a check. If you have missed a course then click on “Classes 2020” which takes you back to the list to add any you have missed. Again, click Next at the bottom of the list. If you have selected a course by mistake or if you change your mind, you check the box next to the course name on the list above, select a reason from the drop down menu and select “delete class”.

- When you are happy with the list, click on “Next” which will show you the course fees that you owe. Again, click on “Next”
